

Dear Airdrie Curling Club Members;

In spite of our best efforts, we hoped that the next correspondence we had with our members was one of a positive outcome for the remainder of the season. However, and unfortunately, following the announcement by the Government of Alberta Friday January 29, 2021, we regret to inform you the remainder of the '20/'21 season is cancelled.

The staged reopening over the next several weeks is not in our favour. In accordance with these guidelines, we would not effectively be able to reopen until possibly sometime in April. As this is not a legitimate option, we unfortunately have to cancel the season and will be closing the rink.

Over the next couple weeks, we are looking at a number of options as to how to provide refunds. The refund options will be sent out by mid February, as we try to manage the refund process for all members of each league.

We sincerely want to thank all our members for their support in this short lived 2020-2021 season.

**Airdrie Curling Club
